ABOUT INDIA CHAPTER OF ACI

Indian professionals exchanged information and knowledge pertaining to Concrete Technology with the USA from the early 20th Century. India Chapter of ACI was established on 26th December 1979 by a few enthusiastic concrete technologists to work under the guidance of ACI USA for the "Development and Advancement of Good Practices of Concrete Technology" in India. Today the membership of the Chapter consists of over 2000 concrete professionals and organisations including consulting engineers, concrete practitioners, academicians, researchers, consultants, civil engineers, material scientist, constructors, students, etc. The driving factor behind our activities is our motto "Progress Through Knowledge". Our Chapter has a distinctive performance in organising seminars, symposiums, technical lectures, meetings and workshops with the participation of experts in the field & associated professional bodies.

ABOUT THE AWARDS

India Chapter of ACI [IC-ACI] is pleased to announce its ***Excellence in Concrete Construction Awards: 2022***. Entry deadline has been extended to ***Monday, March 21, 2022***.
